

THE HEIGHTS

ON SAINT PAUL'S GREATER EAST SIDE

The Heights - Hillcrest Development

Project Update - May 14, 2024

The contractor is beginning preparation for the start of construction. Starting Wednesday, May 15, the contractor will need to begin removing select trees across the project area.

While we try to avoid removing trees to the extent possible, it is necessary to remove select trees that will be impacted by construction. Trees that will be removed are being marked with ribbon and painted lath. The project team will be coordinating efforts to plant new trees after the infrastructure project has concluded.

We apologize for any inconvenience this may cause you. If you have any questions or concerns during construction, please reach out to the contact below.

Have Questions?

The project team has set up a hotline number and email for any questions or comments.

You can reach a project representative at:
