

THE HEIGHTS

ON SAINT PAUL'S GREATER EAST SIDE

The Heights - Hillcrest Development

Project Update - September 20, 2024

The Heights Partner Update

Xcel Energy:

Xcel broke ground this month on their 20 acre site to begin construction on their new service center on the eastern side of The Heights development. You can view more information about [Xcel's commitment to The Heights on our website](#).

Habitat for Humanity:

Habitat for Humanity continues their work on building affordable housing on the southwestern corner of The Heights. For more information or questions regarding housing at The Height please contact: **Preston Powless, at preston.powless@tchabitat.org** or visit their website at tchabitat.org/heights, where you can sign up to receive Habitat for Humanity specific updates for The Heights.

Carter Work Project:

Activity is gearing up to get ready for the Habitat for Humanity Carter Work Project Event, scheduled for September 29th to October 4th. For more information on the event and the impact to local residents, please visit our [Habitat FAQ page!](#)

Current Construction Impacts

We know road closures can be inconvenient, and we appreciate your patience. The detour route for the Ivy Ave E is still active. The Ivy detour is anticipated to remain in place until early Fall 2024.

Please follow the posted [Ivy detour route](#) on the project website.

Please note, resident access will be provided at all times to the locations shown as "Closed to Thru Traffic". Please follow posted detour signs.

Work Completed Week of September 16

- Storm Sewer continued on Ivy Ave, and Arligtion Ave within the project site
- Crews continued mass grading between and throughout the project site
- Structural crews continued retaining wall construction within the project site
- McKnight Rd N striping occurred under traffic
- Crews began roadway construction on Arlington Ave within the project site

Anticipated Work for Week of September 23

- Storm Sewer will continue on Ivy Ave, and Arligtion Ave within the project site
- Crew will continue mass grading between and throughout the project site
- Structural crews will continue retaining wall construction within the project site
- Crews will continue roadway construction on Ivy Ave and Arlington Ave within the project site
