

THE HEIGHTS

ON SAINT PAUL'S GREATER EAST SIDE

The Heights - Hillcrest Development *Project Update 2024*

Compilation of Work in 2024

Below is a link to our latest video; 2024 Compilation of The Heights.

Take a journey through the evolution of the former Hillcrest golf course into The Heights! This video features exclusive footage of the golf course before redevelopment, as well as the construction progress and events at The Heights in 2024.

We apologize for any inconvenience this project may cause you. If you have any questions or concerns during construction, please reach out to the contact below.

The Heights Partners' Update

Habitat for Humanity:

Habitat for Humanity continues their work on building affordable housing on the south-western corner of The Heights. For more information or questions regarding housing at The Height please visit [their website](#), where you can sign up to receive Habitat for Humanity specific updates for The Heights.

If you have questions or concerns about the Habitat for Humanity work please call 612-505-3419. For questions regarding Habitat for Humanity community engagement, please contact Preston Powless, at preston.powless@tchabitat.org

Xcel Energy:

Xcel broke ground last month on their 20 acre site to begin construction on their new service center on the eastern side of The Heights development. You can view more information about [Xcel's commitment to The Heights on our website](#).

Ever-Green Energy

Ever-Green Energy continues their work on their district geothermal energy system on Montana Ave within the project site. For more information about this work please [visit their website](#).

Have Questions?

The project team has set up a hotline number and email for any questions or comments.
